

Introducing Eyebrow & Eyelash Tinting at Kohler Academy!

Kohler Academy's Top Beauty Pick for fall is now available in our Student Salon & Student Spa! **Eyelash and Eyebrow Tinting** is the newest technique to freshen your look this season!

Eyelash Tinting

Get fuller, richer looking lashes with our non-toxic, custom color blended eyelash tints. Celebrity Kristen Bell, says "...tinting your eyelashes works wonders!" in the "InStyle" Fall Beauty 2009 Guide. We agree!

Eyebrow Tinting

Eyebrow tinting is a subtle, yet impactful way to polish your look. Tinting, combined with an eyebrow wax service, can create the brow shape you want or help correct uneven eyebrows.

Not only is eyelash and eyebrow tinting a great way to polish your overall finished look, it's a great way to look better WITHOUT makeup for weeks! Eyelash and Eyebrow Tinting services are just \$15 for each and a package for both, just \$25. Please see the attached before and after pictures for your reference.

Kohler Academy cordially invites you to a demo of our newest service in our state-of-the-art North Scottsdale Student Salon & Student Spa. Contact me to schedule your appointment.

Thank you for your time and consideration,
